

# Celebrate Grandparents

## In September, we're celebrating all grandparents all month long

At UnitedHealthcare®, we know the important role grandparents play in their grandchildren's lives. Many children live with one or both grandparents who serve as the main caregiver. Other grandparents give their love and support from near and far. Either way, we want to celebrate all grandparents. We recognize all they do, every day, to help raise happy, healthy kids.

## Bring the whole family

Grandparents, parents and children. Other relatives and friends, too. Everyone is invited and all are welcome. There's no cost, so come together and enjoy a day of family fun with:

- No-cost Delicious Food from On-Site Vendors
- Mariachi Tenampa, Folklórico Dancers from Baila! Baila! & Mike Romero Y La Raza
- Lotería, Photo Booth, Face Painting, Balloon Animals
- Vendors Sharing Info on Healthcare & Other Resources

## We look forward to seeing you
